We are proud to report that **VANDEEK**, the exciting son of **Havana Grey**, successfully completed his first covering seasons in both the Northern and Southern Hemispheres – the latter at Arrowfield Stud in Australia. A dual Group 1 winning, unbeaten two-year-old owned in partnership with KHK Racing Ltd, **VANDEEK** secured victories in the Group 2 Richmond Stakes at Goodwood, the Group 1 Prix Morny at Deauville, and the Group 1 Middle Park Stakes at Newmarket. From a family going from strength to strength, we were delighted to see **VANDEEK**'s half-brother, **Gstaad**, win the Breeders' Cup Juvenile Turf Grade 1 at Del Mar in impressive style and we look forward to 2026 with renewed excitement as **Gstaad** looks full of Classic potential, in a year when we also eagerly anticipate the arrival of **VANDEEK**'s first foals.

In the Northern Hemisphere, **VANDEEK** covered 19 Group or Stakes winners, as well as the dams of a further 12 Group or Stakes winners. Notable mares included **Angel Vision**, a daughter of Champion **Islington** and dam of Group 2 Coventry Stakes winner, **Berkshire Shadow**, and **Zykina**, dam of Group 1 Prix Jean Prat winner **Good Guess**.

Cheveley Park Stud enjoyed another very respectable year on the racecourse, with several notable performances across the season. **Estrange** captured the Group 2 Lancashire Oaks and the Group 3 Lester Piggott Fillies' Stakes (formerly the Pinnacle Stakes), and further demonstrated her class by finishing second in both the Group 1 Yorkshire Oaks and the Group 1 Fillies & Mares Stakes at Ascot; she remains in training for 2026. **Cajole** followed up her second-place finish in the Sandringham Stakes Handicap at Royal Ascot with a win in the Listed October Stakes, while **Formal** secured victory in the Listed Surrey Stakes on Oaks Day. Meanwhile, **Moon Target** ran with credit to finish third in the Group 2 Rockfel Stakes. With such promising results, there is much to look forward to in 2026.

As ever, we greatly appreciate your continued support and look forward to discussing your mating plans for 2026.

Kind regards

Chris Richardson
