**VANDEEK**'s first crop of foals arrived in 2026 and have been well received in both the Northern and Southern Hemispheres. The exciting, dual Group 1 winning son of **Havana Grey**, who was unbeaten at two years, looks to be stamping his stock most encouragingly. **VANDEEK**, whose foals are either bay or grey, appears therefore to be a pure breeding bay, like the highly successful **Danehill**, sire of his broodmare sire, **Exceed And Excel**. We look forward to seeing how they progress from foals to yearlings, next year.

Cheveley Park Stud enjoyed another exciting year on the racecourse, highlighted by **ESTRANGE**'s win in the Group 1 Pretty Polly Stakes at The Curragh, which followed her victory in the Group 3 Lester Piggott Stakes at Carlisle (switched from Haydock Park).

**MOON TARGET** peppered the board, including at the highest level when finishing a very respectable third behind **Blue Bolt** in the Group 1 Prix Rothschild, The 2yo, **COAXED** improved on her third place run in the Group 3 Prestige Stakes to win the Group 3 Prix des Reservoirs at Chantilly and she looks a fine prospect for 2027, whilst the promising **SO REGAL** also improved steadily throughout the campaign, finishing with a win in the Listed October Stakes, a race in which our red white and blue colours have been carried to success in each of the last three seasons. As ever, we therefore have plenty to look forward to next season.

Once again, we thank you for your valued support and the Cheveley Park Stud team is looking forward to discussing your mating plans for 2027.
